TO : SAC, DETROIT (100-~~35108~~)

FROM : ASAC RICHARD T. BRETZING

SUBJECT: COINTELPRO - NEW LEFT

DATE: 5/3/76

Re Bureau nitel to Detroit 4/26/76, and Detroit teletype to Bureau, 4/30/76.

Referenced Bureau nitel requested data from Detroit file 100-35108. Search of Detroit files and indices by Supervisor PHILIP L. MERCADO failed to locate this file or any references to this file. The referenced Detroit teletype advised the Bureau that Detroit was unable to locate the file and that efforts to locate it were continuing.

b6
b7C

On 5/3/76, Bureau Supervisor [redacted] Division 5, telephonically contacted me and advised that the referenced Detroit teletype could not be forwarded in its present form to the Department because it left too many questions unanswered. He indicated that the Department would demand to know when the missing file could be found in order to obtain the information contained therein. [redacted] was advised that Detroit had no way of knowing when the file could be found. He was further referred to a similar matter under the caption of "SEN STUDY" occurring in 11&12/75 wherein Detroit was unable to find logs of electronic surveillances requested by the Bureau.

b6
b7C

Supervisor [redacted] indicated he would contact additional personnel at FBIHQ and if necessary would be back in contact with Detroit concerning this matter.

Further review has been conducted of FBIHQ files, and the following is set forth to assist you in your search for the three files you have determined missing:

1. Cointelpro - Communist Party, USA: A subfile (Bureau file 100-3-104-15) consisting of five volumes totaling 357 serials is maintained at FBIHQ. As you have been advised, Headquarters records indicate the Detroit file number for this program is

2. Cointelpro - Black Nationalist: A subfile (Bureau file 157-9-15) consisting of one volume totaling 14 serials is maintained at FBIHQ. A review of this subfile indicates Detroit Office first used its Cointelpro - CPUSA file (Detroit file) to administer its Cointelpro - White Hate Program and later used Detroit file 100-34655 for its Cointelpro - Black Nationalist Program.

3. Cointelpro - New Left: A subfile (Bureau file 100-449698-15) consisting of one volume totaling 44 serials is maintained at FBIHQ. Headquarters files indicate the Detroit Office file for this program is 100-35108.

ENCLOSURE

Nov 1948 to Arrest Strike Aide

By ROBERT S. BALL

Of Our Washington Bureau

WASHINGTON, Nov. 18.—The Department of Justice was asked today to consider placing Smith act charges against a 26-year-old Detroit man who was arrested in connection with the Square D strike last September. The man was Rep. Scherer, a member of the House Committee on Un-American Activities, after the committee had taken testimony from James G. Petroff, who allegedly took refuge in the Fifth Amendment when asked about membership in the Communist Party and participation in Communist activities.

Petroff was arrested Sept. 22 while admitted following two men who had taken jobs at the Square D plant in the course of the strike.

CAB TRUNK SEARCHED

The trunk of Petroff's car was found to contain a large quantity of Communist literature and propaganda, together with an order form indicating that Petroff was in the business of

ordering, receiving, and distributing this material in Detroit. Addressing himself to two Justice Department representatives present in the hearing room, Scherer made his suggestion with respect to possible violation of the Smith act, which prohibits overt acts by members of a group dedicated to the overthrow of the government by force and violence.

Petroff testified that he had worked for about two weeks as a truck driver for a firm located on Ferry in Detroit at the time of the Square D strike, but had joined the picket line because he sympathized with the strikers, although he was not employed by Square D nor was he

Electrical Workers Union (Ind.)

BLAMES THE POLICE

The witness said he told the committee in his opinion "all the violence was instigated by the police," and denied that he had become involved in any of it.

When asked if he was a member of the Communist Party at the time of the strike, Petroff launched into a tirade against the committee. He called it a "game duck group" and blasted Rep. Clardy (D-Mich.), acting chairman, as having been "intimidated out of the political picture" at the last election. He accused him of "trying to break the strike by hook or by crook."

Concerning his arrest, Petroff said he was following "a couple of scabs to try to persuade them not to work," and that he had four other "speakers" in the car with him.

He described as a "toy" a .22 caliber air pistol which police found in his car, but invoked the Fifth Amendment repeatedly when asked about the literature found in the trunk.

TAKEN TO BULGARIA

He also refused to answer when asked if he was a member of the DSNM, Communist-sponsored Bulgarian youth organization, while he was attending school in Bulgaria up to 1946.

Petroff was born in Detroit in 1923 but was taken by his parents to Bulgaria as an infant and returned alone to his native city at the age of 18.

Petroff was followed in the witness chair by Alfred Millstein, 20009 Santa Barbara, Detroit, who said he is employed at the Chevrolet forge plant in Detroit and is editor of the UAW-CIO Local 262 paper.

Millstein admitted being a student at the University of Michigan for two years ending in May, 1949, but invoked the Fifth Amendment when asked

Communist Party at that time or at any time.

Best Copy Available

The witness said he omitted any reference to his Ann Arbor schooling and his degree in business administration from a job application form he filled out at Chevrolet because "I was afraid they would not give me a job in the factory with that background."

Millstein told the committee it was not unusual for a person not to put everything on an application—"for instance, Rep. Clardy did not tell the voters he was kicked off the Michigan Public Service Commission."

Millstein testified that he twice joined the picket line outside the Square D plant and identified a picture of Max Trachtenberg, a witness before the committee yesterday, as a fellow picket.

Millstein refused on constitutional grounds to say whether he knew Trachtenberg to be a Communist, or whether he had conferred with him regarding Square D strike activity.

INKSTER MAN HEARD

A third Detroit area witness was Harold Robertson, a Ford Motor Co. employee and a resident of Inkster for 32 years.

Robertson, who testified he was a candidate for Inkster councilman last spring, and previously sought office on the Inkster school board, similarly invoked the Fifth Amendment in refusing to answer all questions pertaining to Communist Party membership or activity.

He was shown a picture of himself selling the Daily Worker on the Ford picket line in 1948, but refused to answer when asked why he was engaged in that activity or what part the Communist Party played in that strike.

WATCHMAKER HEARD

Last of the Detroit witnesses was Philip H. Halper, 2660 Cumings, Berkley, who was identifi-

business manager of the Michigan Herald in 1948 and its successor organ, the Michigan Worker, local papers of the Communist Party.

Halper, a Yale graduate, testified he had worked for several jewelry stores in Detroit since 1945, but was now self-employed as a watchmaker.

He refused to say whether he is now, or ever has been, a member of the Communist Party, nor would he reply when asked if he had been expelled by the party after the committee's hearings in Detroit last May.

DEPORTATION ASKED

The committee voted in executive session this morning to recommend to the Justice Department that deportation proceedings be started against Paul G. Simon, a native of Iran, who has been employed at the AC Sparkplug division of General Motors at Flint since 1946. He became a naturalized citizen in Flint on Dec. 8, 1948.

Asked if he was a member of the Communist Party Simon invoked the Fifth Amendment and refused to answer.

When Rep. Walter (D-Pa.) told Simon "We have every reason to believe you are a Communist," the witness cried out:

"I strongly oppose the use of force and violence. In fact, General Motors organized force and violence against me; my clothes were torn to shreds."

He was referring to the reaction of fellow employees following his identification as a Communist during committee hearings in Flint last May.

Q And then what happened then?

A [redacted] walked to the east side of the doorway to go up to the balcony where Ray happened to meet him and he pointed to him. He says, "Look."

Q Yes.

A About that time he was going to make a run for the corner and as he went with his left hand he reached out inside of the pocket and I don't know whether he pulled out his Walther or his overcoat pocket or his pocket but he did pull out a small object that long.

Q About how many inches?

A The width was approximately 4 inches and the length was 4 inches and the diameter was 1/2 inch. As he threw it on the floor, the bullet bounced off the ceiling. Another bullet hit the wall and it rebounded down the stairs because some people were beginning to come out of the auditorium. As the bullet hit the corner it took a lot of dirt and put it on the floor and it put a lot of dirt on the floor. I don't know if you can see that or not. I don't know if you can see that or not.

Bureau authority is requested to anonymously mail the above material to [redacted] with a short note to the effect that subject is [redacted].

The Bureau might desire to authorize the following, instead:

Special Agent RICHARD SENTER, is Community Commissioner, Highland Park, Michigan, District 4, Detroit area Council, Boy Scouts of America and on very personal terms with [redacted]. It would probably be more effective to have SA SENTER give the material to [redacted] with a request to have something done in view of the information. Letter to SAC, Detroit
RE: COMMUNIST PARTY, USA
COUNTERINTELLIGENCE PROGRAM
100-3-104

b6
b7C

[redacted], which letter would incorporate pertinent information showing the communist background of [redacted] contained in the 5-3-39 record in the office of the prosecuting attorney of Wayne County, Michigan. The Bureau should be furnished the verbatim wording of the letter mailed, together with the details regarding the mailing. It is believed the anonymous letter to [redacted] would be the better course of action than having SA Richard Senter, who is acquainted with [redacted] and [redacted] [redacted], furnish the information to [redacted] on a personal basis.

b6
b7C

Any tangible results noted from the two counter-intelligence operations authorized above should be promptly called to the attention of the Bureau.

NOTE ON YELLOW:

Both [redacted] and [redacted] are on the Security Index and it is believed that the anonymous letters should be authorized to at least alert the two organizations in which they are active to the public source communist background material concerning these two individuals. The sending of the actual public source documents, it is believed in this instance, would be more suspicious and possibly point to the mailing as a Government-type operation than would the sending of the anonymous letters based on the material in the original source documents.

COINTELPRO NOTIFICATION PROGRAM
BUDED: NOVEMBER 18, 1976

Special Review Committee (SRC) was established by the Department of Justice in April of this year to conduct a survey of discontinued Cointelpros and make a determination as to whether certain targets of the various Cointelpros should be notified of Cointel actions directed against them.

Office of Professional Responsibility, Department of Justice, has requested that the Bureau make inquiry of appropriate personnel and insure that a complete file review be conducted in those Cointel actions where the SRC has agreed on notification and pertinent documents regarding verification of implementation are unavailable.

In those instances where documents which would indicate whether or not a particular Cointel action was implemented are unavailable, agreement has been reached with the Department whereby the SA in the field office who handled the field office request for Bureau approval of a particular Cointelpro action will be interviewed to ascertain whether he can recall if the action was implemented once Bureau authority had been granted. If SA who handled the action in the field is unable to specifically recall whether the action was implemented then the field supervisor who approved the communication requesting Bureau authority for the particular action must also be interviewed. ASAC in your office is to handle the interviews as well as the response to the Bureau,

which in each instance, will be furnished verbatim to members of SRC for review. If the SA or supervisor has retired, resigned, or has been transferred it is incumbent on the ASAC to insure that appropriate lead or leads are set out to handle the interview. Auxiliary offices should also be instructed that only the ASAC is to handle the interviews as well as the response to the Bureau. A copy of all communications to auxiliary offices should be forwarded to the Bureau so we may be aware of progress in the matter.

ASAC should insure that prior to interview of SA or field supervisor that a review of available field office files including the Cointel and main file on target in your office has been conducted to insure they do not disclose whether or not the particular action was implemented. All communications submitted by your office and auxiliary offices, if necessary, should be in teletype form.

A summary of two Cointel actions from your office wherein documents are unavailable which indicate whether or not the actions were implemented are listed below. Sutel your response under the individual Cointelpro actions which follow in each action and insure that the reference number (i.e. CP-949) is included in all responses to FBIHQ as well as to the auxiliary offices. Insure that all correspondence in connection with this matter is designated for the field office file on the appropriate Cointelpro only.

[redacted] orally advised SA T. S. KLIMASZEWSKI on February 2, 1965, that [redacted] ordered 3,000 copies of this leaflet printed at the Chene Printing Company, Inc., which is located at the same address as "Glos Ludowy" and is controlled by [redacted]. The leaflets were printed on February 1, 1965. According to [redacted]

It appears that [redacted] is confident that he can obtain the use of Hamtramck schools for film showings since the [redacted] helped the [redacted] in his campaign to obtain additional tax funds for the school system. The vote on February 15, 1965, was successful as the millage was passed. If the "Glos Ludowy" is able to obtain the use of school halls for film showings, they will undoubtedly draw more people since many legitimate functions are held at school halls. Prior to a film showing the "Glos Ludowy" distributes leaflets in the Polish and English language advertising the films and usually indicating that they are being sponsored by some innocuous organization.

The Detroit Office proposes as a counter-intelligence activity that anonymous letters be mailed to prominent individuals in the City of Hamtramck. The purpose of this mailing will be to hinder "Glos Ludowy" from utilizing Hamtramck school halls for film showings. The proposed letter is as follows:

"Dear Sir:

"I recently had dinner with a close friend who is very knowledgeable, and he asked me a series of questions to which I was unable to provide the answers. My friend answered his own questions and by doing so enlightened me as to what is going

RATUJMY SZKOLNICTWO W HAMTRAMCK!

Czy wiecie, że szkolnictwo w Hamtramck jest poważnie zagrożone? W bieżącym roku grozi naszemu szkolnictwu duży niedobór. Z braku potrzebnych funduszy szkoły zmuszone będą zmniejszyć program nauczania dzieci: odłożyć z pracy nauczycieli, wprowadzić pół dnia nauczania i zaprzestać dostarczania uczniom podręczników szkolnych.

DLACZEGO NIEDOBÓR?

Jak nam wiadomo, wszystko drożeje, więc wydatki na utrzymanie szkół powiększają się. Na to nie ma rady.

Pamiętajmy, że największy dar, jaki możemy dać naszej młodzieży jest dobre wykształcenie. Z każdym rokiem przemysł wymaga od młodzieży, szukającej pracy, coraz lepszego wykształcenia. Nie możemy więc dopuścić do umniejszenia szkolnictwa w Hamtramck.

ILE BĘDZIE NAS KOSZTOWAĆ PODWYŻKA, JAKIEJ DOMAGA SIĘ SZKOLNICTWO?

Głosując za millage będzie nas, właścicieli domów, kosztować jednego centa więcej dziennie. Czy mamy narażać nasze szkolnictwo, przyszłość naszej młodzieży i honor naszego miasta Hamtramck za tak małą sumę? Wierzmy, że obywatelstwo miasta Hamtramck uda się gromadnie do budki wyborczej w poniedziałek, 15 lutego i da odpowiedź na to pytanie, głosując za millage. Głosować mogą wszyscy uprawnieni do głosowania obywatele.

KTO JEST ZA MILLAGE?

Wszystkie poważne instytucje, organizacje i poszczególni obywatele wypowiedzieli się za millage. Popierają ten projekt: ruch unijny—AFL-CIO — profesjonaliści i przemysłowcy.

Zaniepokojeni niebezpieczeństwem, jakie zagraża naszemu szkolnictwu, obywatele i posiadacze domów, skupiliśmy się w niezależny komitet i apelujemy do naszych współobywateli, żeby głosowali za millage w poniedziałek, 15 lutego. Wykażmy, że jesteśmy godni odpowiedzialności, jaka ciąży na nas.

Save Hamtramck's Schools!

DO YOU KNOW THAT THE HAMTRAMCK SCHOOL SYSTEM FACES A GRAVE DANGER?

The deficit of our school system has grown greatly this past year. Because of the lack of needed funds, the school program will have to be seriously curtailed — teachers laid off, half-day classes instituted, and the supplying of school books stopped —
UNLESS WE CAN SAVE THE SITUATION!

WHY IS THERE A DEFICIT?

Everyone of us knows that everything costs more — and it also costs more to maintain the schools. This cannot be helped.

Let us keep in mind that the greatest gift we can give our young ones is a good schooling. Industry and business increasingly demand more education and training of our young people seeking work. We cannot reduce the schooling they are receiving in Hamtramck.

HOW MUCH WILL IT COST US TO MAINTAIN A HIGH STANDARD?

It will only cost us, Hamtramck homeowners, one cent more a day to provide the millage the school system so urgently needs.

Surely we are not going to endanger our schools, the future of our youth and the honor of Hamtramck for such a pittance!

Surely the citizens of Hamtramck will go in large numbers to the voting booths on Monday, February 15, to help save their schools by voting for millage!

You do not have to be a property-owner to vote. Every citizen can help the youth of Hamtramck.

WHO IS FOR MILLAGE?

Every important organization and institution supports the millage proposal. The voters endorsed it in the last election. The Wayne County AFL-CIO Council, other labor organizations, professionals and businessmen also endorse it.

Alarmed by the danger facing our schools, we, a group of Hamtramck citizens, have formed a non-partisan committee to appeal to our fellow-citizens to vote for millage on MONDAY, FEBRUARY 15.

Let us all carry out the responsibility which rests upon us to do everything we can for our young people! **VOTE FOR MILLAGE!**

Hamtramck Citizens and Home Owners

ReDelet 4/21/65 and DEairtel 4/26/65.

Authority is granted for you to mail the five letters signed by "A Loyal American-Polish Citizen" to the five individuals listed in relet in the manner you have outlined. It is understood the recipients of these letters, who are influential residents of Hamtramck, Michigan, may be prompted to take action to preclude the Polish Communist line publication "Glos Ludowy" from further use of the Copernicus Junior High School, Hamtramck, for public meetings or film exhibitions. Take the usual precautions to insure this mailing cannot be traced to the FBI. Use commercially purchased stationery and mail the letters in Hamtramck.

Advise the Bureau of any tangible results and be alert to recommend follow-up counterintelligence action in the event your anonymous mailing may not achieve your purpose.

NOTE:

"Glos Ludowy" is financially subsidized by the Polish Government in monthly amounts of approximately \$300. It is operated by [redacted] who is under Communist Party discipline but who is not a member because he desires not to be publicly identified with the Party. The publication has recently been able to obtain the use of the public school through the use of a cover name and also because the Hamtramck Superintendent of Schools has found it politically expedient to permit the communists to use the school. Detroit anticipates its anonymous mailing will hinder or stop the further use of the school by "Glos Ludowy."
